***** HURRICANE ISAIAS ALERT *****

**1-800-236-1873
Claims Call Center**

Hurricane Isaias is approaching the South Carolina Coast.

Coastal consumers and insurance producers should take steps to protect their property and family members.

The path of the storm is creating uncertainty. The SC Wind Office may be subject to government ordered closings. Should that occur, additional information will be posted at www.scwind.com.

If the office is closed, we will be monitoring phones and emails from home. The best way to reach the Association with questions will be:

- Claims – claims@scwind.com
- Underwriting – und@scwind.com

Claims should be reported 24/7 via the Producer Portal or via the toll-free number above.
