***** HURRICANE DEBBY ALERT *****

**1-800-236-1873
SC Wind Claims Call Center**

Hurricane Debby made landfall as a Cat 1 Storm near Steinhatchee, FL this morning. The National Hurricane Center is reporting that the storm is expected to dump significant amounts of rain on states including **South Carolina**.

Coastal residents can expect two feet or more of rain, flooding, and storm surge. There is the possibility of strong winds.

Coastal consumers and insurance producers should take steps to protect their property and family members.

You can contact the Association at:

- Claims – claims@scwind.com
- Underwriting – und@scwind.com

SC Wind claims can be reported 24/7 via the Producer Portal or via the toll-free number above.
